CD Database

The screenshot displays a CD database interface with two main panels. The left panel shows a list of artists and their albums, with a search bar at the top. The right panel shows a detailed view of a CD, including its title, release year, playing time, genre, and a 'View Note' button. Below the main content, there are two identical sets of navigation controls, each featuring a search bar and a set of icons for 'Names', 'Dates', 'Extras', 'Undo', 'Find', and 'Assist'.
